

| Command Mode |                                                                                    |
|--------------|------------------------------------------------------------------------------------|
| F            | find and replace                                                                   |
| Ctrl-Shift-F | open the command palette                                                           |
| Ctrl-Shift-P | open the command palette                                                           |
| Enter        | enter edit mode                                                                    |
| P            | open the command palette                                                           |
| Shift-Enter  | run cell, select below                                                             |
| Ctrl-Enter   | run selected cells                                                                 |
| Alt-Enter    | run cell and insert below                                                          |
| Y            | change cell to code                                                                |
| M            | change cell to markdown                                                            |
| R            | change cell to raw                                                                 |
| 1            | change cell to heading 1                                                           |
| 2            | change cell to heading 2                                                           |
| 3            | change cell to heading 3                                                           |
| 4            | change cell to heading 4                                                           |
| 5            | change cell to heading 5                                                           |
| 6            | change cell to heading 6                                                           |
| K            | select cell above                                                                  |
| Up           | select cell above                                                                  |
| Down         | select cell below                                                                  |
| J            | select cell below                                                                  |
| Shift-K      | extend selected cells above                                                        |
| Shift-Up     | extend selected cells above                                                        |
| Shift-Down   | extend selected cells below                                                        |
| Shift-J      | extend selected cells below                                                        |
| A            | insert cell above                                                                  |
| B            | insert cell below                                                                  |
| X            | cut selected cells                                                                 |
| C            | copy selected cells                                                                |
| Shift-V      | paste cells above                                                                  |
| V            | paste cells below                                                                  |
| Z            | undo cell deletion                                                                 |
| D,D          | delete selected cells                                                              |
| Shift-M      | merge selected cells, or current cell with cell below if only one cell is selected |
| Ctrl-S       | Save and Checkpoint                                                                |
| S            | Save and Checkpoint                                                                |

| Command Mode (cont) |                                                            |
|---------------------|------------------------------------------------------------|
| Esc                 | close the pager                                            |
| Q                   | close the pager                                            |
| Shift-L             | toggles line numbers in all cells, and persist the setting |
| Shift-Space         | scroll notebook up                                         |
| Space               | scroll notebook down                                       |

  

| Edit Mode        |                           |
|------------------|---------------------------|
| Tab              | code completion or indent |
| Shift-Tab        | tooltip                   |
| Ctrl-]           | indent                    |
| Ctrl-[           | dedent                    |
| Ctrl-A           | select all                |
| Ctrl-Z           | undo                      |
| Ctrl-/           | comment                   |
| Ctrl-D           | delete whole line         |
| Ctrl-U           | undo selection            |
| Insert           | toggle overwrite flag     |
| Ctrl-Home        | go to cell start          |
| Ctrl-Up          | go to cell start          |
| Ctrl-End         | go to cell end            |
| Ctrl-Down        | go to cell end            |
| Ctrl-Left        | go one word left          |
| Ctrl-Right       | go one word right         |
| Ctrl-Backspace   | delete word before        |
| Ctrl-Delete      | delete word after         |
| Ctrl-Y           | redo                      |
| Alt-U            | redo selection            |
| Ctrl-M           | enter command mode        |
| Ctrl-Shift-F     | open the command palette  |
| Ctrl-Shift-P     | open the command palette  |
| Esc              | enter command mode        |
| Shift-Enter      | run cell, select below    |
| Ctrl-Enter       | run selected cells        |
| Alt-Enter        | run cell and insert below |
| Ctrl-Shift-Minus | split cell at cursor      |
| Ctrl-S           | Save and Checkpoint       |
| Down             | move cursor down          |
| Up               | move cursor up            |

|         |                                           |
|---------|-------------------------------------------|
| L       | toggle line numbers                       |
| O       | toggle output of selected cells           |
| Shift-O | toggle output scrolling of selected cells |
| H       | show keyboard shortcuts                   |
| I,I     | interrupt the kernel                      |
| 0,0     | restart the kernel (with dialog)          |
